SECTION 2 – Questions and Information on the Award

DEFINITIONS:

- **Green jobs:** These are jobs that contribute to the green economy through preservation and restoration of the natural environment and promote social fairness.
- **Green economy:** “Is one that is environmentally friendly, with abundant resources that are shared fairly and results in better human well-being in the society”.

Question 1

Part of responsible tourism is giving back to the community by responding to local challenges within your area of operation. Briefly describe how your organization addresses key development challenges in the destination within which you operate. This can include projects in infrastructure, water and sanitation, education, health, community enterprise etc.

(Max -500 words)

Question 2

Projects undertaken as part of a facility's social responsibility should have a holistic impact on the community at large. Demonstrate how your initiatives/projects/programs contribute to inclusivity and engagement of the local community. This includes positive impact on women, youth, persons living with disability etc.

(Max – 300 words)

Question 3

Engagement of top management of an organization is critical for the success of any social impact projects. To what extent is your management of your organization committed and involved in initiatives, projects and other engagements meant for community empowerment? This includes: management driven community engagement policies, plans and budgetary allocations to community projects.

(Max -400 words)

Question 4

As an organization, why are you keen on applying for the 2019 Eco Warrior Award? What does the recognition (if you are shortlisted) mean to you and your organization?

(Max-300 words)
